Photobomb Challenge

Can you take on the Trafford Carers Centre Photobomb Challenge?

Organise some teams and charge an entry fee.

(Why not use part of the entry fee to buy a prize for the winning team or speak to local businesses to donate prizes!

All other proceeds can be donated to Trafford Carers Centre)

Send your teams out into Manchester with our Photobomb Challenge checklist and give them a set time to return to HQ, showing evidence of their photobombs.

The first team back with the most photobombs is declared the winner .

Prizes can also be awarded for the funniest or most inventive photobombs.
