Trafford Carers Centre was established in 1996 in order to support unpaid carers in the Trafford Area and is a network partner of the Carers Trust. At the centre we aim to support carers in recognising their own needs, we help them to achieve their aspirations and ensure they are fully understood, valued and supported in their caring role.

Very often people do not recognise themselves as 'carers'; they are simply family members, friends or even neighbours who find themselves in a caring situation. This transition sometimes happens suddenly and sometimes gradually and many carers simply find themselves just getting on with what needs to be done.

Here at the Carers Centre we aim to support any unpaid young or adult carer and enable them to not only care for their loved one, but also ensure that their health and well-being does not suffer in doing so. In Trafford alone there are approximately 24,000 unpaid Carers and currently we only support over 4,000 of them! With your help we can reach out to the missing 20,000 and provide them the support they deserve!

If I have ticked the GIFT AID IT box I confirm 'I am a UK taxpayer, please claim back the tax I have paid against all charitable gifts made in the last four years and any future gifts I may make including those to Carers Trust. I understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.'
